

PRESENTS

## THE BEE LADIES

Sally Adams & Anita Lehew, SC Certified Journeyman Beekeepers, teach informational yet entertaining bee education classes to children age 3 to 13. They have made their presentation to 4-H, home school groups, library & summer camp programs and SC public schools. This presentation meets the following SC Science Academic Standards:

### Kindergarten

**K-2: Characteristics of Organisms**

### First Grade

**1-2: Plants**

**1-5: Exploring Motion**

### Second Grade

**2-2: Animals**

### Third Grade

**3-2: Habitats & Adaptations**

### Fourth Grade

**4-2: Organisms and Their Environments**

### Fifth Grade

**5-2: Ecosystems**

### Sixth Grade

**6-2: Structures, Processes & Responses of Animals**

This 45-minute presentation costs \$2.50 per student, within a 30 mile radius of Rock Hill, SC. Additional travel charges may incur depending on distance. This charge covers an informational teacher's pack, a honey stick and a bee pencil for each student. The optimum size is about 50 students per presentation but multiple presentations can be made per day. Let your students *BE the BEE!!!*

For more information or to schedule your presentation for the 2009-2010 school year, please call Anita @ 803-448-0293 or email [anitalehew@bellsouth.net](mailto:anitalehew@bellsouth.net).

*Limited dates still available for the balance of the 2009 school year.*
